SATURDAY, FEB. 8, 1896

PERSONAL AND LOCAL.

—Born, Thursday, February 6th, to Mr. and Mrs. Willis Hardy, West Side, a son; grandson to Thos. Jefferson Wooster.

—It is not exactly known against whom indictments will be returned by the grand jury, but we are informed that 18 true bills will be returned, a number of them for felonies. It is safe to assume that Male will be indicted for the killing of Pickett, and several indictments in the Schadd whitecapping case are expected.

—Born, Friday, Feb. 7th, to Mr. and Mrs. Babb, West Side, a son; grandson to Mr. and Mrs. C. A. Miller, Reno.

—The assignment of the Marietta Planing Mill Company, which had been whispered as a possible calamity for several days, was made Friday morning. F. S. Coleman was named as assignee and required to give bond of \$22,000. The assets are placed at \$11,000 approximately, and while the liabilities are unknown, it is thought they will not be much above that amount. The company was capitalized at \$12,500, held as follows: A. D. Follett, \$2,000 preferred stock; A. T. Nye, \$500 preferred stock; Jas. F. Foreman, \$4,950 common stock; Jas. Hall, \$4,950 common stock; Frank O'Dinn, common stock. Contracts taken at too low figures is the principal cause of the failure.

—John Dana, who returned from Indiana several days ago and has been confined to his home in Belpre since with illness, is out again.—Journal.

—The regular meeting of Lobdell Cycling Club next Monday evening will be called at seven o'clock instead of eight as heretofore, in order to allow the members to attend Faust.

—Thursday night Mr. Charles Conrath, employed at Smith's bakery, was awakened by the barking of a watch dog locked up in a barn in the rear of the bakery. Looking out the window to ascertain the cause of the dog's excitement he discovered three men prowling about in the back yard. He spoke to them, but received no reply, and drawing his revolver, fired a shot into the ground. The strangers immediately took to their heels and disappeared. Their identity is unknown.

—Mr. Dud Nye is improving in health rapidly.

Mrs. Cram had been afflicted for a number of years. She was born at Waterford, O., November 18th, 1817, and was married to Augustus Cram in April 1853. Her maiden name was Leget. The funeral occurred Wednesday and was conducted by Rev. W. L. Beaumont, pastor of the Presbyterian church, she having been a consistent and loyal member of that church since her early life. The characteristics of Mrs. Cram need no mentioning as her numerous friends are living witnesses of her kind and generous nature.—Beverly Dispatch.

The World's Fair Tests showed no baking powder so pure or so great in leavening power as the Royal.

THE WOMAN—who takes the surest way to gain a beautiful color and a wholesome skin will not take the cosmetics, paints and powders which soon injure the skin. Sallow or wrinkled face, dull eyes and hollow cheeks, together with low spirits, follow the derangements, irregularities and weaknesses peculiar to the sex. All women require a tonic and nerve at some period of their lives. Whether suffering from nervousness, dizziness, faintness, displacement of womanly organs, catarrhal inflammation of the lining membrane, bearing-down sensations, or general debility, Dr. Pierce's Favorite Prescription reaches the origin of the trouble and corrects it. It is a medicine which was discovered and used by an eminent physician for many years in all cases of female complaint, and those painful disorders that afflict womanhood. If women are overworked, run-down, tired or sleepless, if they are irritable, morbid and suffer from backache, they should turn to the right means for a permanent cure. Dr. Pierce's Favorite Prescription fits just such cases, for it regulates and strengthens the special functions, builds up and invigorates the entire female system.

DISEASE OF WOMB.

Mrs. Chas. S. Wilson, of Canfield, Sullivan Co., Ind., writes: "I cannot say too much for Dr. Pierce's Favorite Prescription. I feel it my duty to say to all women who are suffering from any disease of the uterus that it is the best medicine on earth for them to use; I cannot praise it too highly for the good it did me. Many one doubts this, give them my name and address."

A pamphlet, containing a vast number of testimonials with reproduced photographs of those cured and giving full name and address of each, will be mailed to any address free; or, Dr. Pierce's Large Treatise (168 pages) profusely illustrated with wood engravings and colored plates mailed post paid on receipt of 10 cents in stamps. Address, World's Dispensary Medical Association, Buffalo, N. Y.
